## **Chief Operating Officer**

**Toronto;** Vita Community Living Services and Mens Sana Families for Mental Health (VITA), a leading Developmental Services (DS) agency, is pleased to welcome Ms. Dunja Monaghan Stoger as its Chief Operating Officer (COO).

In the role of COO, Ms. Monaghan Stoger will cover both the Operational and Business Development aspects of the organization, reporting directly to the Executive Director.

Ms. Monaghan Stoger brings with her a wealth of experience and success in the aforementioned areas. Her extensive background and experience in developmental services will assist the organization to move toward a more robust and efficient DS agency.

Ms. Monaghan Stoger's proven track record of exceptional service, coupled with a focus on operations effectiveness and optimization, has ensured that she is held in the highest regard by those she works with.

Ms. Monaghan Stoger's announcement as COO comes on the heels of VITA's organizational restructuring, solidifying VITA for continued growth in 2020 and beyond. These strategic decisions will enhance and support the organization's operations, finance, human resources, and business development targets.
